

Graffiti removal- authorisation form

The City of Subiaco's goal is to remove graffiti as rapidly as possible. The city's free graffiti removal service applies to all private property, both residential and commercial.

To facilitate this service, we seek your permission to enter the grounds of your property for the purpose of removing publicly visible graffiti. This will allow such graffiti to be removed quickly and efficiently when it is reported.

The property owner, or a person authorised by the owner, can give consent to entry by completing the authorisation form below. If you are a tenant of a property in the City of Subiaco, please pass this form onto the owner so that consent may be given and any future graffiti can be removed as quickly as possible. If you live in a strata titled property, please pass this onto the corporate body.

The methods for removing graffiti may include the use of high-pressure water, chemicals, sandblasting, or painting over. The city has appointed an experienced and professional graffiti removal contractor with operators appropriately trained in removal techniques.

By returning this form to the city, you:

- a) agree to permit the city's graffiti removal contractor to enter your property to remove graffiti;
- b) agree for the graffiti removal operator to use water from your property; and
- c) acknowledge that while all reasonable care will be taken, some surface textures may change slightly as a result of the removal and cleaning methods.

Property address: _____

I, (*name*) _____ being the owner or person authorised, give permission for entry to the above property for the removal of graffiti.

Please tick which one applies:
